MESSAGE

In an era where empowerment, education, and equality stand paramount, IGDTUW has emerged as a beacon of hope, leading the charge with its unwavering commitment to fostering excellence in education for women. The outstanding placement statistics stand testimony not only to the institution's exemplary education framework but also to the relentless drive, ambition, and hard work of its students.

The success stories that emanate from this university, year after year, reinforces my belief in the limitless potential that has been inculcated in our young women. Their achievements, both academic and extracurricular, echo far and wide, signalling a brighter, more inclusive future for our nation.

I applaud the University's leadership, faculty, and every single student who have contributed to these remarkable milestones. It is heartening to witness women power not just breaking the glass ceiling, but also setting benchmarks, and inspiring countless others in the process.

I extend my heartiest congratulations to all for the impressive placement statistics and wish every student, continued success in their future endeavours. May you all keep shining and making us proud.

MESSAGE

The Indira Gandhi Delhi Technical University for Women has a steadfast commitment to cultivating an environment of excellence for professional education, simultaneously facilitating women's active and equitable participation in engineering, science, management, and technology while balancing the demands of the professional world with the rewards of a well-rounded life. It is with great pride that we assert that we have been undeniably successful in realizing this vision. I am filled with immense pride and honour as I affirm that our institution is thriving in the pursuit of this vision.

The university aims to instill qualities of innovation, teamwork, and leadership in its students. IGDTUW's motto, "Appo Deepo Bhavo," embodies the principles that inspire us to discover the inner radiance within ourselves and use it to enlighten the world that surrounds us. Students from IGDTUW have wholeheartedly embraced this motto, bringing glory to the institution by realizing their full potential and establishing a distinct presence in this competitive industry, leaving their mark wherever they venture. Our broad range of courses, along with our support for students to explore areas beyond the standard curriculum, is facilitated by our choice-based credit system.

Companies like Google, Microsoft, Goldman Sachs, and Adobe have been visiting the campus for the placement drives. In the 2022-23 batch, students have secured international and national offers, with the highest package being 56 CTC offered by Adobe.

On behalf of the university, I extend a warm invitation to students and recruiters to explore the diverse opportunities we offer. I eagerly anticipate a mutually beneficial, wholesome, and productive partnership.

MESSAGE FROM THE REGISTRAR

Indira Gandhi Delhi Technical University for Women is a unique State university in India dedicated exclusively to women's education. Over time, it has evolved to meet global educational standards. It's more than just a university, it's a place where intellectual curiosity transforms into leadership, and a deep thirst for knowledge drives our pursuit of excellence.

IGDTUW's meticulous academic approach equips students with valuable and specialized skills, enabling them to excel in Engineering and Technology, Architecture and Planning, Business Administration and Applied Sciences. The impressive placement statistics of IGDTUW graduates bear testimony to this success.

IGDTUW embraces an interdisciplinary method in its educational approach. Here, we foster an environment where students are motivated to investigate fresh concepts and are provided with appropriate opportunities to exhibit their skills. Every student at IGDTUW embarks on an incredible transformation journey from a novice to a confident, dynamic, and fast learner who is well-prepared for a professional role in technology. These women are highly regarded by both the industry and esteemed institutions when considering graduate studies.

I would like to congratulate our placement and training team for their consistent success. Our confidence is that these young women, with their technical and managerial competencies and innovative abilities, will prove valuable assets for every organization they join.

MESSAGE FROM THE TPO (ICE)

The eminence of Indira Gandhi Delhi Technical University for Women (IGDTUW) serves as a testament to the commitment and expertise exhibited by women within our institution. Consistent with its esteemed reputation, IGDTUW has maintained a commendable track record of academic contributions to foster excellence in creating remarkable organizations and a thriving society. We place a strong emphasis on character development and the cultivation of essential soft skills as integral components of our curriculum, ensuring our students are well-prepared for the demands of the burgeoning corporate sector in this growing economy. Placements at IGDTUW have been increasing steadily for the past years, with last year's placements showing an all-time high average CTC of 20.60 lacs rupees. I am honoured to be the Training and Placement Officer of this great institution and I am grateful to our industry partners and research firms that have trusted us for years and granted their support, allowing us to establish the desired benchmark.

With this, I would like to welcome all talent acquisition teams for campus drives 2023-24. We hope this recruitment season bears fruits for both the institute and the esteemed firms.

MESSAGE FROM THE TPO (MAE)

I, Prof. Nathi Ram Chauhan (Training and Placement Officer, Mechanical and Automation Engineering Department) extend a warm invitation to all the interested organizations. IGDTUW has established itself as a symbol of top-quality technical education, and each year, we attract some of the brightest minds and nurture them into dedicated, motivated, and hardworking professionals. Here, you will find highly skilled engineers with hands-on practical experience in the field of technological advancement.

To bridge the gap between industry requirements and academic education, the university has crafted a unique curriculum that equips students to excel in a variety of fields. We look forward to the potential for collaboration and mutually beneficial partnerships with your organization. In addition to their regular academic pursuits, our students actively engage in a wide array of national and international competitive projects, including the Shell Eco Marathon, SAE Supermileage Vehicle, Bajaj SAE India, Supra SAE, WorldSkills India, and AWIM (A World in Motion) by Maruti, to name just a few. Their hard work and dedication have not gone unnoticed, as they've earned prestigious awards and recognition. This is a testament to the excellent practical training they receive and the dedicated efforts of our Training and Placement Cell.

I am confident that these talented young women would be valuable assets to any organization. As a result, I extend a warm invitation to recruiters to take part in our placement season and look forward to the potential for a mutually beneficial partnership.

PLACEMENT HIGHLIGHTS (2022-23)

In the realm of placements, IGDTUW has achieved remarkable success, as evidenced by the outstanding numbers we have garnered. We are pleased to announce that our girls bagged remarkable offers from top companies like Atlassian, Microsoft, Adobe, Goldman Sach, Google, Uber, and many more, setting new records and marks. A grand total of 891 offers, 219 pre-placement offers, 233 full-time offers, 72 six-month internship offers and 367 summer internship offers, were extended to the students. This led to achieving an increment in total offers by 16.33%. The average CTC by the end of this season was 24.5 LPA. Highest Placement offer is 82 LPA by Atlassian. The scope of our Training & Placement program extends beyond national boundaries, as demonstrated by the highest international offer received by one of our students. A remarkable 82 LPA offer from Bloomberg, London showcases the global opportunities that await our graduates.

It is a matter of pride that IGDTUW is associated with more than 112 Industry partners which offers internships, pre- placements and placement to students of university starting from 2nd Year.

Many companies visited our campus for the first time like AWS, Disney+Hotstar, Palo Alto, Hire Pro, Junglee Games, Lowe's, Providence etc.

Not forgetting the importance of internships, we are delighted to announce that our students have secured the highest stipend of 1.6 Lakhs/Month, offered by Uber. This remarkable stipend serves as a testament to the practical skills and knowledge our students acquire during their academic journey. The average stipend of 64,000/- per month further highlights the desirability of our students in the industry and their ability to contribute effectively to organizations.

Furthermore, we collaborate with prestigious international universities and organizations to provide exchange programs, study abroad opportunities, and research collaborations. These initiatives not only enable our students to experience different cultures and academic systems but also enhance their academic profiles, making them highly sought-after candidates in the global academic arena.

PLACEMENT HIGHLIGHTS (2022-23) MAE DEPARTMENT

The placement season for the graduating class of 2023 began in earnest in July 2022. Currently, 57 B.Tech (MAE) final-year students have full time offers from reputed firms. It is mentioned with immense pride that 21 students have bagged 6-month internship offers from tech giants like Amazon, Flipkart, American Express, etc. The academic year 20-23 had seen a notable increase in the number of new companies compared to prior years. The highest CTC 50 LPA was offered by Adobe and the average CTC was 14.35 LPA for the graduating batch of 2023.

It is a matter of tremendous pride to share that in comparison to that last year 2021-22, there has been a rise in average CTC from Rs. 8.73 LPA. to Rs. 14.35 LPA. There has also been a rise from 38 FTE offers in 2021-22 to 57 FTE offers in 2022- 23. In addition to that, 21 final year students were selected for the 6-month internship at some top-notch companies.

The MAE Training and Placement Cell helps the students by regularly organizing industry interaction activities and competitions to stay abreast of current industrial trends and gain key technical skills to become proficient engineers in their fields.

Leading in every domain, Mechanical girls have once again proved their excellence, bagged opportunities and giving notable results. One final year student was part of the Cisco women in cyber security boost campaign 2.0. Team Yantriki participated in Aravali Terrain Vehicle Championship virtual season 2 and were AIR 1 overall winner, AIR 1 in CAE, Cost Report, DFMEA Report. 3 students were selected for Pratibha - The Eaton Excellence Award in the year 2022. 15 pre-final year students were selected as a mentee in the Microsoft engage program throughout the country, while one pre-final year student was selected for the Harvard WeCode Scholarship. One student was among the top finalists of the Amex Makeathon and received an intern offer at American Express. Students participated in Scholarship and hackathons like GHC Scholar for the year 2022, Smart India Hackathon, millennium fellowship program.

PLACEMENT HIGHLIGHTS MANAGEMENT DEPARTMENT

The Placement season for management students has started with a PPO offer to MBA student and placement of more than 10% management students through campus placement drive. Each company placement process comprises of a presentation and interaction session with HRs and Senior Leaders to help students understand business and technical skill requirements. The Department facilitates hiring organization by providing a flexible placement process which includes conduction of exams and interview through both online and offline mode.

The Management Department along with Placement Cell and Industry Interaction Cell has organized seminars with Industry Experts to educate our students about market trends, advanced technologies and business paradigms. Industry tours to Hero and Coca Cola were organised to give students exposure to ground realities of running a manufacturing business. Management Societies like Huumanoid (HR society), Zosh (Marketing Society), The Consulting Club and others give students a platform to showcase their business acumen and to learn from peers through case study competitions (EcoPitch by Zosh), quizzes (GEM by Huumanoid) and other innovative contest. Some of the key highlights of the past placement season for both MBA and BBA batches are as follows:

Master of Business Administration (MBA)

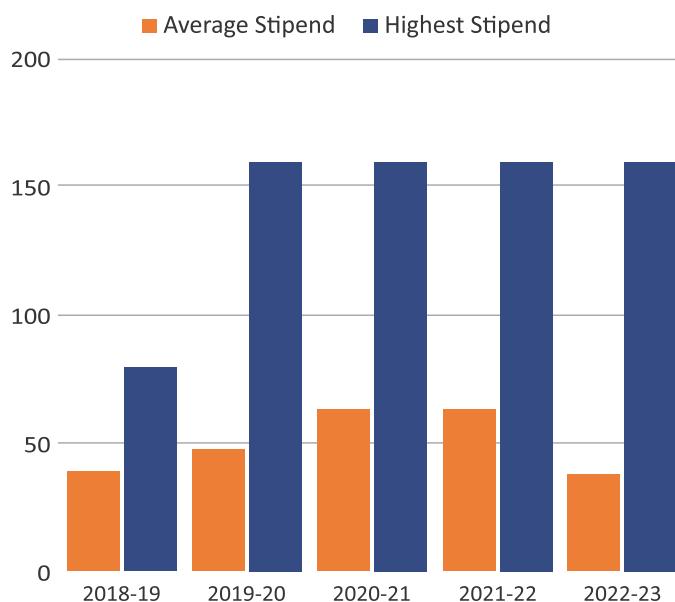

- The first batch (2021-22) of 27 dedicated and diligent students bagged excellent internship opportunities from eminent establishments such as RBI, Ernest and Young, Boston consulting group, PWC and Tata Power DDL and others.
- A majority of the students from batch 2021-22 are currently working in corporates such as Deloitte, Hero electric, Pearson, Microtek and Dr Reddy's Laboratories and others.
- The second batch (2022-23) has bagged excellent internship opportunities in Tata power-DDL, Deloitte, Health Kart, PVR, Ministry of Defence and other such esteemed institutions.
- The highest package received by our students was 23 Lakhs offered by American Express, and the average package secured by our students was 7 Lakhs.

Placement Momentum: Snapshot 2023

GLIMPSES OF ONGOING PLACEMENT SEASON 2023-24

PLACEMENT MOMENTUM: SNAPSHOT 2023 (AS ON 10 OCTOBER 2023)

59 top and well-reputed companies like Google, Microsoft, MotorQ, Uber, Urban Company, Atlassian, Expedia, ServiceNow, Intuit, Flipkart, and many more have offered pre-placement, full-time, six months internships, summer internships and dual offers to the students of batch 2023-24. Till the end of October 2023, a total of 774 offers have already been received. The University is thrilled with accepting about 168 pre-placement offers, i.e. the returning offers from top Tech companies like Google, Microsoft, Goldman Sachs, Adobe, American Express, Amazon, Uber, Intuit, Atlassian, and many others. It is for the very first time, that an enormous number of students were placed before the commencement of the placement drive. 290 full-time offers and 110 six months internship (including dual offers) offers have been grabbed by the students. The University is expecting more prominent offers like these in the coming years.

- About 31 students have already secured offers of 51 lakh from Microsoft after their internship. Apart from the above, 41 students were offered summer internships at Microsoft. Google has offered a CTC of 30 LPA to 10 students & extended summer internship offers to 2 students.
- 3 students have been given the golden opportunity to work in Uber with a CTC of 38 LPA,
- and 2 students have been offered pre-placement internship offers along with 1 summer internship offer.
- 8 students have been extended full-time offers from Goldman Sachs with a CTC of 24 LPA,
- and 7 students were offered 2-month internships.
- Amazon has offered 8 pre-placement offer to our final-year students with a CTC of 52.89 LPA.
- Intuit has offered a dual offer of 6 month + Full time to 3 students along with 1 pre-placement offer to students in their final year with a CTC of 44.4 LPA and summer internship offers to 3 pre-final year students.
- ServiceNow has extended pre-placement offers to 2 students with 42.6 LPA, along with side offering summer internships to 8 of the pre-final year students.
- Atlassian offered the pre-placement offer to 1 student along with full-time role to 2 final-year students with a CTC of 34 LPA and summer internship offers to 2 pre-final year students.
- ARQ has offered full time to 2 final year students with a CTC 31 LPA and summer internship to 1 student of pre-final year.
- Expedia has offered 2 pre-placement offer to final year students with a CTC of 27LPA.
- Flipkart has offered 1 pre-placement offer along with 4 dual offers of 6 months + full time with a CTC of 32.5 LPA and pre-placement internship to 1 of our pre-final year student.
- Morgan Stanley has offered 6 pre-placement offers along with 3 dual offers of 6 months + full time with a CTC of 29.48 LPA and summer internship to 5 of our pre-final year students.
- Wells Fargo has offered 7 pre-placement offers along with 15 full time offers with a CTC of 24 LPA and summer internship to 20 of our pre-final year students.
